INTEREST IN TECHNOLOGY

&

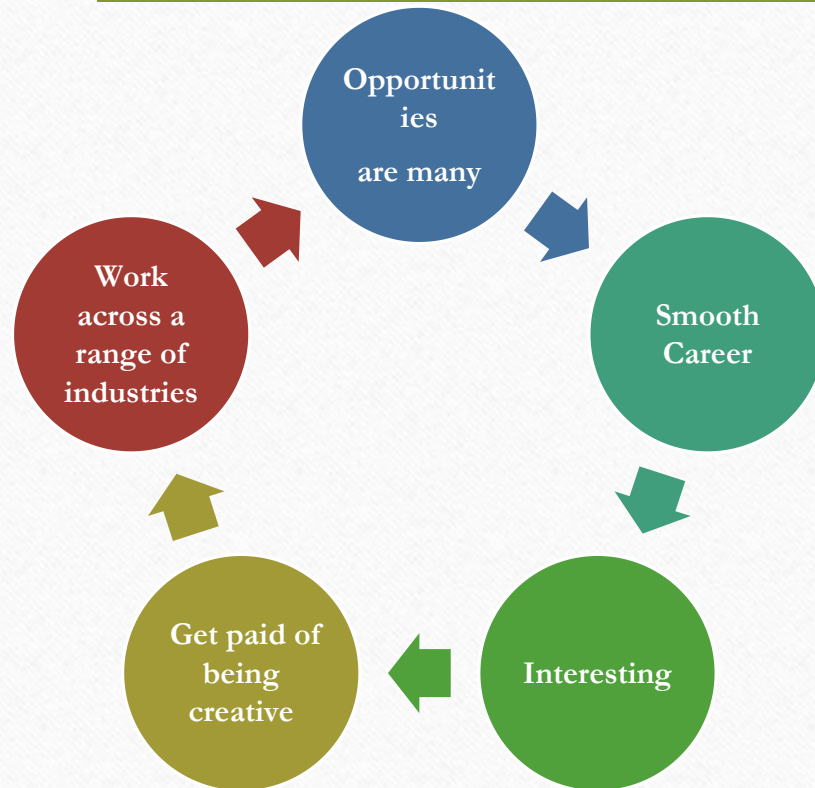

CAREER PATH

Introduction

- **Name :** Himanshu Patel
- **Educational Background:** Diploma in Computer Engineering
- **Current Status:** Currently I am a student of Tops Technologies where I am learning about graphic design.

Graphic Designing

The **Graphic Designing** Industry has been experiencing **steady growth** over the past few years.

There are **three main reasons** why I choose graphic designing are, **first** you **get paid** for being creative, **second** is interesting work, **third** one is **Opportunities are many**.
